

This Ukulele

John Goodwin

performed by Jeff Bridges in *Surf's Up* (2007)

D
I used to play this ukulele

A
when I was just half your age

I used to hold it 'n' make it shine

D
In the good old days

D7
When I would strum it, I would hum

G **Gm**
It always made me a happy dude

D **A** **D** **D**
It's impossible to be sad when you're playing a uke

Interlude
play through verse

D
I used to play this ukulele

A
'Til the sun went down

Used to play it with all my friends

D
Or when no-one else was around

D7
It's amazing how just four little strings

G **Gm**
Can change the way things look

D **A** **D**
It's impossible to be down when you're playing a uke!
