

# I Looked All Over Town

## Magnetic Fields

C G D G

### verse 1

G C  
I wandered in these big blue shoes

D G D  
till we had nothing to lose.

C D Em C  
Nobody wants you when you're a circus clown.

Bm Am D G  
I should know. I looked all over town.

C G D G

### verse 2

G C  
I guess folks just don't like my face.

D G D  
They make out like I'm some disgrace.

C D Em C  
But nothing's gonna change this painted frown.

Bm Am D G  
And I know. I looked all over town.

C G D G

### verse 3

G C  
Maybe somewhere I could be free,

D G D  
somewhere they won't throw rocks at me,

C D Em C  
somewhere this crazy hair could be my crown.

Bm Am D G  
But all my life, I looked all over town.

C G D G

### verse 4

G C  
So, whistling a circus tune,

D G D  
I inflated one more balloon

C D Em C  
and, as I floated up, I looked straight down,

Am D G  
and I looked all over town

Am C D G  
one last time. I looked all over town.
